

NOVA SCOTIA UTILITY AND REVIEW BOARD

Notice of Paper Hearing

The Halifax Regional Water Commission has filed its Future Regulatory Scenarios Study. The Study will inform the development of the next Halifax Water Compliance Plan and, subsequently, the next iteration of the Integrated Resource Plan (IRP). The objectives of this report include:

- Document the current regulatory environment as it pertains to Halifax Water facilities and systems.
- Summarize regulatory trends in the Water, Wastewater and Stormwater sectors at the provincial and federal levels.
- Identify potential future regulations and/or guidelines that may need to be considered in capital project planning and implementation.

The Board has determined it will allow Information Requests (IRs) to Halifax Water and input by parties by way of a paper hearing process and the following timetable will apply:

Notices of Intervention	Tuesday, May 14, 2024
IRs issued to Halifax Water	Thursday, May 16, 2024
Halifax Water responses to IRs	Thursday, May 23, 2024
Comments from Interested Parties	Thursday, June 6, 2024
Reply Comments by Halifax Water	Thursday, June 13, 2024
