**IN THE MATTER OF AN APPLICATION** by **Chubb Insurance Company of Canada** for approval to adopt the rates and risk-classification systems for IAO Actuarial Consulting Services Inc. for commercial vehicles and interurban trucks

**BEFORE:**

Jennifer L. Nicholson, CPA, CA, Member

**DECISION and ORDER**

**CHUBB INSURANCE COMPANY OF CANADA** applied to the Nova Scotia Utility and Review Board for approval to adopt the rates and risk-classification systems that the Board recently approved for IAO Actuarial Consulting Services Inc. for commercial vehicles and interurban trucks [2024 NSUARB 196 and 2024 NSUARB 198].

Chubb's application followed the Board's *Rate Filing Requirements for Automobile Insurance – Section 155G Adopt IAO Rates*. Chubb did not propose modifications to the approved IAO rates and risk-classification system.

The Board finds it is just and reasonable for Chubb to use the approved IAO rates and risk-classification system.

The Board finds the application complies with the *Insurance Act and Regulations*.

**The Board approves the application and orders that:**

1. The approval is effective March 1, 2025, for commercial vehicles and interurban trucks.

2. Chubb's mandatory filing date for commercial vehicles and interurban trucks is reset to January 3, 2028.

**DATED** at Halifax, Nova Scotia, this 17<sup>th</sup> day of January 2025.
