Collection of Annual License Renewal Fees Suspended

Given the challenges posed to the industry by the COVID-19 response, the Honourable Lloyd Hines, Minister, Department of Transportation and Infrastructure Renewal, has approved suspension of collection of annual license renewal fees until the Fall of 2020 for all motor carriers. This includes commercial vehicle (CV) operations.

The Board will continue to issue renewal stickers and plates to ensure carriers can operate. Carriers should send in their renewal documentation to the Board as usual – but without fees enclosed. An invoice for fees will be issued at an appropriate time in the Fall.

The Board continues to process applications as in the past, including urgent matters.
