¹ These filings are subject to the standard 60 days (extendible to 120) but the Board’s intention, barring requirements for supplemental information from insurers, or other unforeseen circumstances, is for the shorter timeline noted.

Note: An application made under the “**Section 155G – Prior Approval**” requirements can include any of the items included in these simplified filing requirements. It is not a requirement that such changes be made under these requirements exclusively (e.g. a change to an endorsement can be facilitated within a “**Section 155G Prior Approval**” application – it does not require a separate filing under “**Section 155G – Endorsements**”).
